

Economic Impact of the 2014 INDIANA COMPANIES TO WATCH

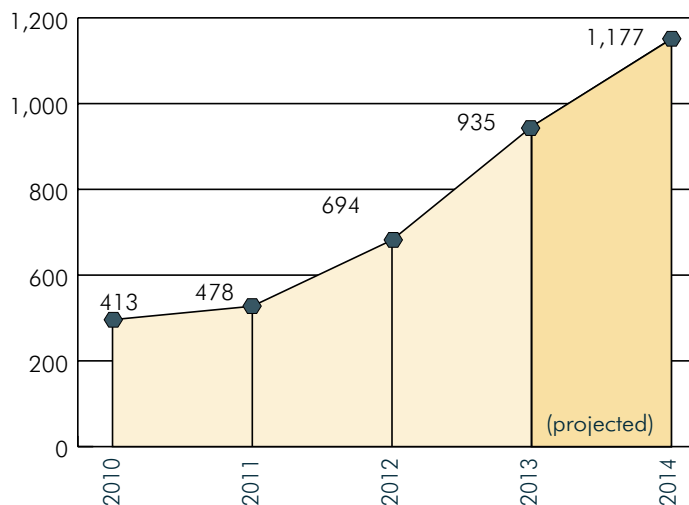

INCREASING IMPACT

From 2010 through 2013, these companies generated \$379 million in revenue and added 622 employees (both in Indiana and out of state), reflecting a 120% increase in revenue and 96% increase in jobs for the four-year period. That translates into 40% annual revenue growth and 32% annual growth in employees.

These companies project continued growth in 2014, with a 50% revenue increase and 26% growth in employees (both in Indiana and out of state) compared to 2013. If their projections hold, these companies will have generated \$612 million in revenue and added 764 employees over the last five years – a 301% increase in revenue and 185% increase in jobs since 2010.
