

Economic Impact of the 2015 INDIANA COMPANIES TO WATCH

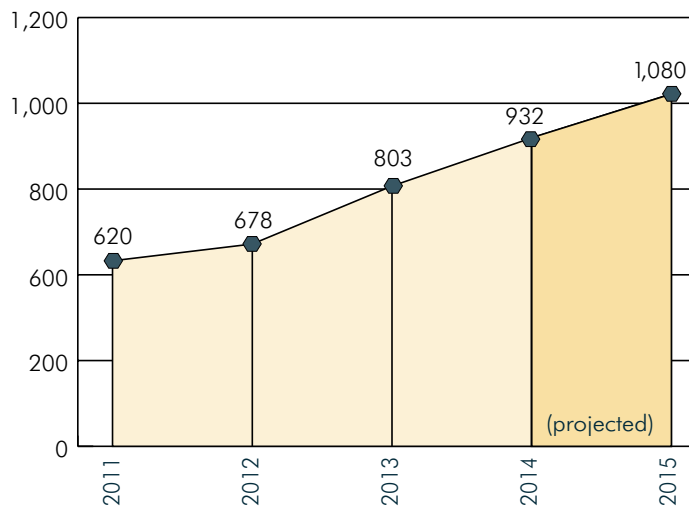

INCREASING IMPACT

From 2011 through 2014, these companies generated \$579 million in revenue and added 312 employees (both in Indiana and out of state), reflecting a 94% increase in revenue and 50% increase in jobs for the four-year period. That translates into 25% annual revenue growth and 14% annual growth in employees.

These companies project continued growth in 2015, with a 23% revenue increase and 16% growth in employees (both in Indiana and out of state) compared to 2014. If their projections hold, these companies will have generated \$820 million in revenue and added 761 employees over the last five years — a 139% increase in revenue and 74% increase in jobs since 2011.
