

Propel Your People in January and Beyond

Jumpstart professional and personal development in 2018 with two new leadership conferences dedicated to developing your employee's emotional IQ and sense of accountability.

Want to transform your team's results? Increase awareness of the factors that influence your behavior? Register for Accountability Mindset (January 30). Attendees discover the power of personal mindset and its impact on leadership. Mindset is a choice!

Next up is Emotional Intelligence Impact (January 31). What is emotional intelligence and why is it important? Learn how to grow trusted relationships and impact your organization's results by inspiring and leading others through authenticity, coaching, insight and innovation.

Register online at www.indianachamber.com/conferences or call Nick at (800) 824-6885. Attend both programs and save \$99!
